

# Teacher Engagement Keynote

Olivia Odileke

“ This was the absolute BEST zoom meeting I have had all summer. The speaker was absolutely engaging, and I felt her energy as if she was right in my room. I am excited to start applying these strategies.~ MUSKEGON MIDDLE SCHOOL

## Keynote Topics

### Simple Tech to Engage Students

With so many ed-tech tools being introduced, it can feel overwhelming to train educators with the knowledge to use all of them efficiently. Learn about the three power tools that are simple and easy for any level educator to use. Tools don't engage students. Teachers use tools to engage students. Let's discuss the difference and have teachers making more connections and increasing their love for teaching.

### Becoming a Fearless + Resilient Educator

Learn what it means to be a fearless and resilient educator and take back your balance. Discussion will highlight how these qualities are the most important aspects of social emotional learning. As we learn to develop, support, and model fearlessness and resilience in ourselves it ultimately create it in our students.

## Background

Olivia Odileke loves making Ed Tech and teaching easier for teachers. For over 15 years she worked as an educator at Title 1 schools in Florida. She served as a national PBL Teacher Trainer for the online school Stride. She has personally trained over 7,000 teachers and continues to seek ways to innovate education. She is a Certified Trainer for Nearpod and an HMH Instructional Coach. She also has written over 30 published lessons for Cpalms.org, Nearpod, and Pearson. She holds a M.Ed. in Instructional Technology. She is the author of the Beginner's Guide to Nearpod. All of her experience has led her to becoming an expert in best instructional practices and the tech tools educators can use to drive student learning and curiosity.

“ Our #1 reason for feeling overwhelmed is Fear. Learn How to become a fearless educator and build confidence in doing what is most important! ”
